Trick Duped Ike

WASHINGTON (UPI)—Soviet Premier Nikita Khrushchev, in his recent talk with Sen. Hubert Humphrey, told how he laid a propaganda trap for President Eisenhower who "walked right into it,' it was disclosed yesterday.

Humphrey, in a magazine article about his eight-hour talk with the Soviet boss, also related that Khrushchev rejected "the very core of Marxist theory."

Khrushchev said his propaganda victory came last July when the president rejected Russia's request for credits to finance purchases of goods in the U.S.

Khrushchev related that "U.S. propaganda had been telling the Soviet people how badly off they were and how sorry Americans were for them." He "just got tired of it," so he wrote Eisenhower requesting the credits and was "delighted" when the president rejected the request.

YOU WERE FOOLS

"You helped me," Khrushchev told Humphrey, "you showed my people that you did not really care about them. You walked right into it. You were stupid, you were fools."

Humphrey said Khrushchev rejected "the very core of Marxist theory" in discussing Red China's commune system.

Khrushchev called the system "old-fashioned and reactionary" and "not nearly so good as the state farms and the collective farms" in Russia.

Warm West, Chilled East

West is warm and east is cold—that's the general outlook for the next three weeks from the U.S. weather bureau. In Canada, B.C. and a bit of the Prairies will bask in above-normal temperatures while most of eastern Canada stays under the present freezing cold spell.

Holdup Trial Slated

BRANDON (CP)—Vernon Samuel Umphrey, 25, formerly of Victoria, was committed for trial on a charge of armed robbery Tuesday following preliminary hearing in police court here.

Umphrey, who elected trial by jury, was apprehended at the west coast, returned here and charged in connection with the Aug. 3 holdup at McLeod's farmer supply store in Brandon.

Vote Won't Come for 18 Months

Rebels Rule by Decree

HAVANA, Cuba (AP)—The revolutionary government dissolved Congress Tuesday and announced it will rule Cuba by decree for at least 18 months, after which new elections are planned.

The government suspended all criminal courts, regarded as a symbol of the fallen Fulgencio Batista, and may abolish all political parties.

The provisional regime also dismissed all provincial governors, mayors and council members.

MORE DECREES

Other decrees will ban all candidates in the 1954 and 1958 elections from Cuba's political life, freeze private bank accounts of all Batista officials and stop cashing of all outstanding cheques against the Batista regime.

Revolutionary courts were reported being prepared to try Batista, now in exile.

Provisional President Manuel Urrutia sat almost continuously with his new cabinet.

CASTRO PLODS ON

Initial policies of the new government were being shaped as Fidel Castro, the rebel leader who shoved Urrutia to power, still was plodding through adoring throngs from the east. It was doubtful he would reach Havana today as planned.

Loss of political rights would apply to former president Ramon Grau San Martin.

NOT TRUSTED

Dissolution of political parties would affect former president Carlos Prio Socarras, who made common cause with the rebels but apparently is not trusted by Castro.

The persons named by the rebels to take charge of newspapers immediately after the revolution were withdrawn. The government said it wanted nothing to interfere with a free press.

TV Strike Talks Renewed

MONTREAL (CP) — CBC president Alphonse Ouimet arrived Tuesday to reopen talks on a labor dispute that has disrupted the world's largest French-language TV production centre for eight days.

Meanwhile, 1,800 CBC employees voted unanimously to keep on honoring picket lines of 74 striking producers.

Death of City Sailor Homicide, Says Coroner

VANCOUVER (CP) — City Coroner Glen McDonald ruled Tuesday that the death of a young sailor in a Kitsilano basement suite was homicide due to a stab wound in the back.

Jackson A. Brown, 23, of HMCS Naden, Esquimalt, was found stabbed Saturday.

Terrence William O'Grady, 19, charged with murder, sat quietly beside a policeman during the 20-minute hearing.

A doctor said he found a wound five inches deep in the sailor's back.

Hero Arrives To Boss PPCLI

Lt.-Col. James C. Allan, DSO, MBE, 45, who successfully led a company of Seaforth Highlanders during the storming of the Hitler Line in 1944, when all other officers were wounded, arrived Monday to take command of the First Battalion, Princess Patricia's Canadian Light Infantry.

He will officially take over his duties at a Work Point ceremonial parade at 2 p.m. Jan. 15.

Col. Allan leaves a job as liaison officer in the office of the assistant chief of staff, U.S. Army, at Washington, D.C., to replace Lt.-Col. Thomas de Faye, MBE.

Col. de Faye has commanded the battalion since April, 1955, and will leave Victoria Jan. 26 for a six-month course with the U.S. army at Norfolk, Va.

After the course, he will take over a position as Canadian liaison officer at Continental Army Command, near Norfolk.

Col. Allan was born in McLeod, Alta., and attended Lethbridge Collegiate and the Provincial Institute of Technology and Art. He joined the Calgary Highlanders in September, 1939, was commissioned the following year and went overseas with the regiment.

He served in the United Kingdom and in the Italian campaign, where he was wounded in action. After being in hospital, he returned to Canada in December, 1944.

He attended courses in Canada, the United States and England and during the winter of 1951-52 was second-in-command of the First Battalion.

West Eased by Rain

Vicious Gale Hits Icy East Coast

By Canadian Press

Much of Western Canada warmed a little Tuesday following a cold wave, while the Atlantic seaboard, particularly Newfoundland and the U.S., received another dose of winter weather at its worst.

A vicious Arctic gale hammered the United States eastern seaboard for a second day with wind gusts up to 70 miles an hour. Damage was widespread and bitter cold intensified the winter misery.

Fire, an accomplice of the savage gale, claimed nearly a score of lives.

A Pacific storm brought rain and pushed temperatures above the freezing point Monday night on the southern B.C. coast. In northern B.C. and the Yukon, it was still cold with temperatures ranging to more than 50 degrees below zero.

Mrs. Catherine Jewell of Kilbride, Nfld., walked seven miles through deep drifts and high winds to give birth to a seven-pound, two-ounce baby at an air base hospital. With her was her navy husband, Charles, of Indianapolis, Ind.

In the U.S., a dormitory at Syracuse University burned, killing seven student airmen.

Villagers Pray, Rejoice —Menacing Bomb Gone

LANGSCHEILD, Germany (Reuters)—Residents of this small German village said prayers of thanksgiving on church steps Thursday and then toasted their deliverance at local inns after a six-ton wartime bomb was defused and trucked away.

An RAF bomb expert and a German fireman eased three fuses from the bomb as villagers huddled in cellars or waited outside the danger zone.

Biggest unexploded bomb found in West Germany since the war, it was dropped by the RAF in a 1944 raid and lay undiscovered behind the Sorpe dam until the reservoir was drained for cleaning.

After the 80-minute defusing operation. Flt. Lt. James Waters, shouted that all was well.

Waters and Walter Mitzke, Duesseldorf fireman, unscrewed the first fuse by remote control from behind the dam wall and the other two by hand.

The fuse chambers were full of water and two striking pins had penetrated the detonators but had failed to explode. In the other chamber, acid had failed to reach celluloid holding back the firing pin.

Within a few minutes of the all clear, villagers, 650 of whom had been evacuated, streamed back into the streets.

As they returned, a heavy truck was loading the bomb just below the town for the trip to a demolition camp, where it will be destroyed.

The Courtroom Parade

$140 in Fines Paid By Car-Crashers

Three men who crashed into parked cars on Cook Street on different days and a fourth who crashed into the rear of a car stopped at a red light on Cook Street were fined a total of $140 in city police court yesterday.

City prosecutor T. P. O'Grady told Magistrate Henry Hall the collisions caused a total of $3,400 damage to cars involved in the accidents.

Fines totalling $220 were imposed on eight persons during the court sitting. Charges against two other persons were dismissed.

John W. C. Shea, RCN, admitted a charge of careless driving. He was fined $35 and his licence was suspended.

Mr. O'Grady told Magistrate Hall that Shea was driving along Cook Street Dec. 20 and was in collision with a car parked on the side of the road.

Shea told police an oncoming car's headlights had blinded him.

About $1,000 damage was caused to the parked car and Shea's vehicle suffered some $300 damage, Mr. O'Grady said.

★ ★ ★

Norman Ferguson, 1016 Kenneth, was also fined $35 for a similar offence. His licence was restricted to business use only for a month.

Mr. O'Grady told the court Ferguson was driving on Cook Street Dec. 16 when he struck the rear of a car parked at the side of the street, pushing it forward into the rear of another car parked in front of it. Ferguson did not stop after the accident, Mr. O'Grady said.

Questioned next day, Ferguson told police he had felt a thud at the time but did not realize he had struck another vehicle. Damage totalling $750 was caused to the three cars, Mr. O'Grady said.

Ferguson told Magistrate Hall that at the time of the collision he was blinded by the lights of an oncoming vehicle.

★ ★ ★

Michael Taylor, 1144 Oscar, was fined $35 and his driving licence suspended on another similar charge, also arising out of an incident on Cook Street when he struck a parked car.

Mr. O'Grady told the court Taylor was driving along Cook Street Dec. 18 when his car veered over to the wrong side of the road and hit a parked car.

To police Taylor explained he was taking out his cigarets and lighting one and lost control of the vehicle. Damage totalling some $300 was caused to both vehicles in the collision.

★ ★ ★

Louis Schubert, 1106 Fort Street, pleaded guilty to careless driving. He was fined $35 and his licence was suspended.

Mr. O'Grady said Schubert was driving along Cook Street Dec. 6 when he hit the rear end of a car which had stopped at the traffic lights at Yates Street. Some $750 damage was caused to Schubert's car and $300 to the other vehicle.

★ ★ ★

A charge of impaired driving against S. R. Halton, 2630 Hibbens Close, was dismissed by Magistrate Hall. Mr. Halton had pleaded not guilty.

The charge was laid after Mr. Halton's car struck a lamp standard on Quadra Street Dec. 4. Mr. Halton suffered head injuries in the accident.

Magistrate Hall commented that Dr. Alan F. McGill and Dr. D. E. Alcorn had both testified, for the defence, that the blow caused a skull fracture and concussion which would have created symptoms similar to intoxication.

Police witnesses and Dr. E. L. McNiven had given evidence of drinking, he added.

Alan Bigelow appeared for the defence.

★ ★ ★

Mr. Bigelow also appeared for Isobel Higgs, 3743 Waring Place, who was charged with careless driving. The case was also dismissed by Mr. Hall.

★ ★ ★

Eugeno Dugaro, 1815 Chambers, was fined $10 with $10 costs for failing to stop at a stop sign.

George Papacrissanthou, 1203 Blanshard, admitted a charge of violataing a restriction on his driving licence and was fined $35 and had his licence suspended until he obtains insurance.

★ ★ ★

Gary James Moss, 4060 Blenkinsop, was fined $25 for exceeding the speed limit. Mr. O'Grady told Mr. Hall that Moss drove at 50 miles an hour in a 30-mile-an-hour zone on Douglas Street between Burnside and Tolmie.

★ ★ ★

Ronnie Watt, 556 Nelson, was fined $10 for failing to notify the motor vehicles branch of a change in his address.

Prayer Service Set for Tonight

A united service of prayer and fellowship will be held in St. John's Anglican Church at 8 tonight.

The service, under the auspices of the Victoria Ministerial Association, is held to mark the Universal Week of Prayer.

Rev. A. I. Higgins of First United Church will preach.

Rear Admiral Dyer

Ex-Naden CO Will Inspect Ships Today

Rear-Admiral Kenneth L. Dyer, chief of naval personnel at headquarters, Ottawa, will inspect four ships of the Second Canadian Minesweeping Squadron this afternoon as part of a five-day tour of the Pacific Command.

The former commanding officer of HMCS Naden will also consult with Rear-Admiral H. S. Rayner, Flag Officer, Pacific Coast, and senior officers, during the tour of ships and shore establishments.

Tomorow morning he will board HMCS Crescent for a conference with Capt. James C. Pratt, senior officer of the Second Canadian Escort Squadron, and other officers.

He will later visit the frigates Jonquierre and New Waterford, two ships of the Fourth Canadian Escort Squadron.

During the afternoon he will inspect the utility air squadron VU33 and underwater firing range at Patricia Bay.

Friday the CNP will inspect the barracks and new Naval Technical School, confer with Commodore Harold Groos, commanding officer of HMCS Naden, and address Naden personnel at ceremonial divisions in the afternoon.

Rear-Admiral Dyer arrived yesterday and inspected an honor guard at HMC Dockyard, and paid an official visit to Rear-Admiral Rayner.

He also visited the Canadian Services College, Royal Roads, and addressed the officer cadets in training.

This morning he was scheduled to visit the RCN Depot at Dockyard, address cadets at HMCS Venture, and then have lunch with Lieutenant-Governor Frank Ross.

Rear-Admiral Dyer will leave from Patricia Bay airport Saturday.

Victoria College
EVENING DIVISION
NEW SPRING COURSES
Commencing January 14, 1959

THE PIANO AND THE COMPOSER
Instructor: Mr. Lloyd Powell, former Professor of Pianoforte at the Royal College of Music, London, England.

G. B. SHAW AND HIS SOCIETY
Instructor: Dr. M. W. Steinberg, Associate Professor of English, University of British Columbia.

SOUTH EAST ASIA
Instructor: Mr. V. Setty Pendakur, B.C.E. (Mysore), M.Sc., (U.B.C.), Engineer Department of Transport.

SOME PROBLEMS OF MODERN PHYSICS
Co-ordinator: Professor Harry Dutton, Canadian Services College, Royal Roads.

PICTORIAL PHOTOGRAPHY
Instructor: James A. McVie, F.P.S.A., P.S.A. Associate Director, Western Canada.

FUNDAMENTALS OF RUSSIAN II
Instructor: Miss Irina M. Carlsen, M.A. (Brit. Col.), L.R.S.M., A.R.T.C., Instructor in Russian, U.B.C.

BUILDING OR BUYING A HOME
A Group of Six Lectures by prominent speakers, designed to assist prospective home-owners.

WORKSHOP IN MORE EFFECTIVE READING
Instructor: Frank W. Fraser, D.O.S. (Chicago), Optometrist.

MUSIC AND RHYTHMS for the PRE-SCHOOL CHILD
Instructor: Dr. Lloyd Slind, College of Education, University of British Columbia.

LIVING ROOM LEARNING
Study-Discussion Programs in the Liberal Arts as follow:
1—An Introduction to the Humanities
2—World Politics
3—Canada and World Affairs
4—Ways of Mankind
5—Great Religions of the World

Further information may be obtained by writing the Evening Division, Victoria College (EV 2-9131)

"CONTINUOUS LEARNING"

Polio Total Plummets, Vaccine Wins Credit

Only 13 cases of polio were recorded in British Columbia last year, health authorities reported yesterday.

In 1955, there were 225 cases of polio and credit for the decrease has been given to the Salk vaccine program.

Under the B.C. program more than 500 persons, children under 16 and expectant mothers, have received 2,000 gallons of vaccine and local authorities have carried out additional programs for adults at nominal charges.

MUSICAL FLOURISH

The coda in music is a concluding passage which composers like Beethoven developed into elaborate finales.

Special Committees Also

Standing Committees Appointed in Oak Bay

Oak Bay council Monday night appointed its standing and special committees for 1959.

Standing committees: Finance—Couns. F. W. Hawes (chairman), W. G. Ellis, R. B. Mathews; works — Couns. F. A. Robinson, F. W. Hawes, G. B. Elworthy; fire—Couns. W. G. Ellis, A. L. Cox, R. B. Mathews; parks—Couns. G. B. Elworthy, F. W. Hawes, F. A. Robinson; lands and buildings—Couns. R. B. Mathews, A. L. Cox, F. A. Robinson; personnel—Couns. F. W. Hawes, W. G. Ellis, F. A. Robinson; transportation and traffic—Couns. A. L. Cox and G. B. Elworthy.

Special committees: Intermunicipal—Reeve George Murdoch and Coun. R. B. Mathews; water board—Reeve Murdoch and Coun. W. G. Ellis (alternate); civil defence—Couns. A. L. Cox and G. B. Elworthy; social welfare and juvenile home—Coun. A. L. Cox; town planning advisory committee—Couns. F. A. Robinson and F. W. Hawes; Victoria Day Celebrations—Coun. G. B. Elworthy; library board—Coun. R. B. Mathews; UBCM—Couns. F. W. Hawes and R. B. Mathews; acting reeve—Coun. W. G. Ellis.

Forest Posts Filled

Promotions of J. Ralph Johnston, 41, to the position of district forester of Prince Rupert District and of Eric W. Robinson, 37, to become head of the forest ranger school near New Westminster have been announced by Lands and Forests Minister Ray Williston.

Mr. Johnston has been district forester at Kamloops for the past six years and takes over his new duties Feb. 1. He replaces Percy Young who becomes district forester at Nelson.

Mr. Robinson is now assistant district forester at Nelson and takes charge of the ranger school April 1. He replaces Allan H. Dixon, who will move to Prince George as district forester.

Science Now Shrinks Piles Without Pain Or Discomfort
Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
